Remotely triggered slide in Sage Basin

Taylor Fork
Southern Madison
2/13/2024
Code
AMr-R1-D1
Latitude
45.06070
Longitude
-111.27200
Notes

On 2/14/23 we saw a slide in Sage Basin that appears to have been remotely triggered by riders yesterday from ~100 ft away. Couldn't get a great view of it but it appeared to break in two pockets ~50 ft apart, each at least 25 ft wide and running 30 vertical feet.
