

Snowmobiler triggered slide near Two Top

Two Top
Lionhead Range
1/22/2019
Code
SS-AMr-R2-D2-I
Elevation
0
Aspect
N
Notes

From an email:

" ...was riding with a guide group near the Two Top area and remotely triggered this [slide](#) as rode past this drainage on the top of the ridge. It was a north facing wind loaded slope in the 38 degree slope range. It broke about 12 inches deep and looked like it was from the last snow/[wind loading](#)."
