

Pits in Bradleys

Date

Fri, 01/19/2024 - 12:00

Activity

Skiing

Dug pits both above and below Bradley Meadows with a Fundamentals Course. We got ECTNx5 down 30cm on the facets which were first buried Jan 5th. The snow overlying the facets was soft (fist to four finger).

Region

Bridger Range

Location (from list)

Bradley Meadow

Observer Name

Nata de Leeuw
